FUNDING FOR COMMUNITY PROJECTS

Greg Piper, Member for Lake Macquarie, today announced $400,000 in funding for community infrastructure projects in the Lake Macquarie electorate.

According to Mr Piper, the biggest winner is the Macquarie Scorpions Rugby League Football Club, which has been granted $200,000 for a new amenities block including disabled toilets at Toronto's Lyall Peacock Oval.

"Funding under the Community Building Partnerships project will be a real boost for community groups and the general public," Mr Piper said. "Sporting facilities, reserves, community halls and other interest groups will all benefit."

"I'm pleased that such worthwhile projects were successful in their applications," Mr Piper added. "The grant money has been spread throughout the electorate, from Marmong Point to Wyong Creek."
