#### COMMUNITY SUPPORT FOR LOCKYER-DUNSTAN CHILDREN

In the wake of a tragic house fire on the Morisset Peninsula Greg Piper, Mayor and Member for Lake Macquarie, has teamed up with Bonnells Bay Progress Association to offer long-term support for four orphaned brothers, all under 10. The aim is to encourage members of the public to make tax-deductible donations.

According to Mr Piper, there has been a strong outpouring of support for the boys after the tragic loss of their father, Mark Dunsdon.

"The community has been quick to offer support for Zacharia, Talon, Marcus and Solomon," Mr Piper said. "I'm investigating how this good-will can be maximised and channelled to provide the greatest benefit."

"I would like to see a trust fund established so that members of the public can make tax deductible donations," Mr Piper Added. "I've been told that the Bonnells Bay School and local businesses have already started collecting donations for the boys. I'm sure that many in the community would like to help if it can be made easy for them."
