### **MEDIA RELEASE**

#### **GREG PIPER KEEPS IT LOCAL IN A BIG ELECTORATE**

Greg Piper, Member for Lake Macquarie, has again offered to visit constituents in their homes, rather than expecting them to make the trip to his office in Toronto.

Greg is available to visit people in their homes at these dates and locations:

- *Kulnura, Palmdale, Yarramalong and Wyong Creek on **Tuesday 20 July***
- *Alison, Dooralong, Jilliby, Kiar, Mandalong and Wyee on **Wednesday 28 July***

“People face a wide range of problems with government departments, so it’s important that they can talk to their MP to seek assistance,” Mr Piper said. “I’d rather make the effort to visit people in their homes than see them miss out on the support they deserve.”

According to Mr Piper, parts of Wyong Shire were included in the Lake Macquarie electorate as a way of having equal populations in the state’s 93 electorates.

“I’ve set these two days aside for Wyong residents, so people should make the most of the opportunity,” Mr Piper added. “Anyone who wants to meet with me should phone my office at 4959 3200.”
